Will Present****An Interesting Fly fishing Topic****Join us at our new meeting place:****Harper Junior High****Harper Junior High is located at: 4000 Cowell Blvd, Davis, CA**

As most of you know, our long-time relationship with Davis Waste Removal has ended. DWR decided this year to not allow any regularly recurring meetings in the room where we've been meeting. Fortunately, we've lined up the multipurpose room at Harper Junior High School for our meetings. The school is near the bend where Mace Boulevard becomes Covell Boulevard. There's a map showing where we're located – the multipurpose room is just on the left as you enter the school through the obvious archway right in front. If you're taking I-80 to get here, take the Mace Boulevard exit and go north until just past the bend. The school will be on your left. If you're coming from the north, take Covell Boulevard east until you get past all the houses. If you take the bend onto Mace, you've gone too far. Instead turn into the school parking lot just before the bend. The meeting should be easy to find. See you there!

An Unbelievable Day on Putah Creek With Guide Greg Bonovich

By John Imsdahl

On Thursday, February 1st, Donn Erickson, Darwyn Briggs and I met with Greg Bonovich, Putah Creek Guide, for a half day of fishing at 8 AM. After some set ups and chat, we climb into two vehicles and headed for the creek.

The first one to catch a fish was Darwyn, and up stream from me, I could see Donn bagging a few, but I was catching nothing. Well, I certainly missed a couple of grabs on the first two drifts, but they were reeling in fish. We moved to a new location, and BAM, I started catching fish on an egg pattern that Greg set up for me.

We all shared this "honey hole" and at the end of the day had more than 80 hook ups, and somewhere near 40 fish landed. We had several really large natives, some planters, but all were very frisky fish that put a bend into our 4wt or 5wt rods. I will leave room for the pictures from Donn, which show the whole story. Boy what a day on the Putah! Greg Bonovich is a great guide for this creek and he is at 707-678-8850.
